EDRS PRICE	MF-$0.65 HC-$3.29
DESCRIPTORS	Directories; *Drug Abuse; Drug Addiction; Drug Education; Information Sources; *Medical Treatment; *Minority Groups; *Programs; *Rehabilitation; Services

ABSTRACT

Represented in this directory is an attempt by the National Clearinghouse for Drug Abuse Information to locate drug abuse programs serving communities populated predominantly by minority groups. Programs are selected for inclusion only if the minority group (American Indian, Asian-American, Black, Mexican-American, Puerto Rican) involvement equals at least 50 percent of the total population served. This is the first update of an earlier Clearinghouse Directory for Minority Groups and includes additional information as well as several new programs. One hundred forty-three programs/agencies throughout the United States providing treatment, rehabilitation, counseling and/or educational services are catalogued. Each entry includes program name, address, director, type of program, and predominant minority group served. (BL)

DRUG ABUSE PROGRAMS: A DIRECTORY FOR MINORITY GROUPS

This directory represents an attempt by the National Clearinghouse for Drug Abuse Information to locate drug abuse programs serving communities populated predominantly by minority groups; programs were selected for inclusion only if the minority group (American Indian, Asian-American, Black, Mexican-American, Puerto Rican) involvement equals at least 50 percent of the total population served. This directory includes 143 programs throughout the United States. It is the first update of an earlier Clearinghouse Directory for Minority Groups and includes additional information as well as several additional programs. The majority of the programs listed offer some form of treatment or rehabilitation services.

This directory is by no means complete. It lists only those programs which have been brought to the attention of the Clearinghouse. The Clearinghouse would appreciate receiving names and addresses of additional programs as well as corrections for those listed. This information will be used to update this directory periodically and will also serve as input into the computerized program information file maintained by the Clearinghouse. Please address all correspondence to: National Clearinghouse for Drug Abuse Information, Program Information Services--Dept. LDF, Room 8C09, 5600 Fishers Lane, Rockville, Maryland 20852.

The National Clearinghouse for Drug Abuse Information, operated by the National Institute of Mental Health on behalf of the Special Action Office for Drug Abuse Prevention and the Federal agencies engaged in drug abuse education programs, is the focal point for Federal information on drug abuse. The Clearinghouse distributes publications and refers specialized and technical inquiries to Federal, State, local, and private information resources. Inquiries should be directed to the National Clearinghouse for Drug Abuse Information, 5600 Fishers Lane, Rockville, Maryland 20852.
